International Institute of St. Louis

Festival Producer

For more than 90 years, the International Institute has offered comprehensive adjustment services for refugees and immigrants in St. Louis. The Institute now reaches more than 7,000 new Americans from 75 countries.

The Institute helps these newcomers overcome language and cultural barriers, which if not successfully addressed, can result in a lifetime of poverty. Instead, with the help of the Institute, many newcomers can become independent and valuable contributors to the St. Louis community.

We produce the Festival of Nations to honor and celebrate our community's growing cultural diversity.

We are a 501 C (3) charitable organization and member of the United Way of Greater St. Louis. Learn more about us at www.iiistl.org.
